Come to get married with us!

6 dream wedding options

Every couple, every love story, is unique and one-of-a-kind. And that's how every wedding should be. That's why we have created six packages that range from absolute luxury, including all the details you can possibly imagine, to a proposal where the charm of simplicity shines. We suggest you to start by choosing a package that then, with the advise or our expert wedding planners, you can add any extras or the theme you wish. All packages include a maximum of 30 guests. Each extra guest has an additional cost depending on the package. At the end of the brochure we include all the details in simple charts that will help you decide which package to choose.

Let the celebration begin!

Emerald

The crown jewel. The most exquisite details are included in the star package. Floral decoration, a celebration toast with Moët Chandon, gourmet cocktail after the ceremony, a reception dinner in a private area of your choice... And all services are premium, from the spa massage to the wedding cake. It's also the only package that includes a romantic dinner on the beach.

Price Range: \$4100-4700 USD dependant upon the country of choice, and symbolic versus legal.

Romance Extravaganza

Flowers, flowers and more flowers, live music during the ceremony, cocktail, open bar for two hours, romantic dinner with candles in one of our restaurants and endless privileges and surprises that will last throughout your stay... and beyond. Because just like Emerald, it is the only package that includes three free nights on your next visit to Bahia Principe Hotels & Resorts.

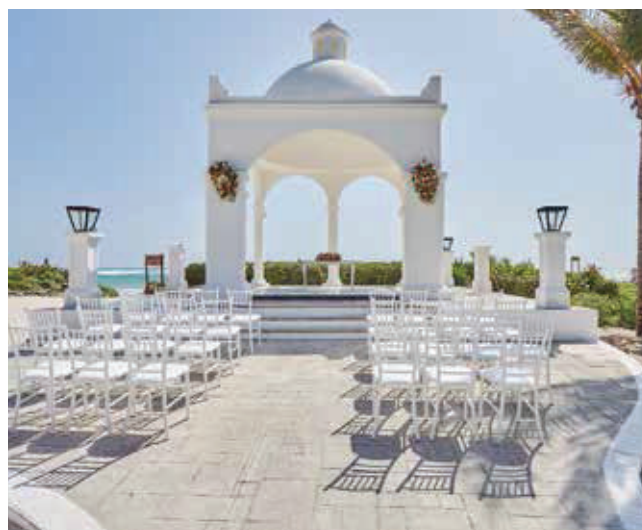

Price Range: \$2900-3500 USD dependant upon the country of choice, and symbolic versus legal.

Unforgettable

Let's not forget the treatment you will get from our team throughout your stay. You will notice it every day in the details, in your room, in the gifts, in the romantic breakfast... And the peace of mind of knowing that we will take care of absolutely everything; from the live music, flowers and ceremony toast to the delicious wedding dinner.

Price Range: \$1550-2100 USD dependant upon the country of choice, and symbolic versus legal.

Sunshine

Here the sun always shines because we are in paradise... and because you are here with the excitement of taking such an important step. Very little is needed for the day to be perfect. Floral arrangements, a beautiful ceremony by the beach and dinner in one of our restaurants for all your guests.

Price Range: \$1250-1750 USD dependant upon the country of choice, and symbolic versus legal.

Romantic

An intimate and charming wedding with everything you need to make it special; flowers for the bride and groom, cake, breakfast in bed the morning after... This package is for a maximum of 10 guests.

Price Range: \$500-1200 USD dependant upon the country of choice, and symbolic versus legal.

Free Wedding

Your wedding is free at Bahia Principe. Simply because you are here we offer a wedding planning service that includes flowers for the bride and groom, a celebration toast after the ceremony, a semi-private dining area... Even a special gift for the newlyweds is included.
For groups of 16 to 30 people.

Note: Fees for legal documents and licensing will apply

Wedding themes*

If you want to add a special touch to your wedding, three unique themes will make your special day something truly memorable.

Blue Marine

Features a fresh and naive sailor's touch. The blue marine aesthetics blends to perfection with the sea, the sky and it makes a beautiful contrast with the purity of the white. It is a very photogenic decoration that fits very well within the tropical background.

Vintage

A romantic and vintage look, yet elegant and subtle. Brides in soft or nude tones or with a retro flair feel like fairytale princesses here. Serene and warm tones set the mood for a perfect day.

Glamour

Tones and textures that denote passion, opulence and celebration. A contemporary and innovative style where luxury is presented and relished in an exquisite way.
