Our exclusive Total Gourmet Experience includes more than five alternate menus at our five restaurants, with a wide range of flavors to entice your palate.

### **RHYTHM EXPERIENCE**

Music, cuisine, fashion and culture blend together under The Rhythm Experience at Sandos Cancun.

The resident DJ plays spins different music styles to set the mood for your vacation on Cancun's incomparable beaches. While the sun is out, the three infinity pools provide music and atmosphere, and areas for quiet relaxation.

Once the sun goes down, the best beats move to the Beach Club with vibe moments to light up the Caribbean nights, or for a more minimalist vibe, you can enjoy a chill-out ambiance at Bar One and the Hookah Lounge.

In addition to its all inclusive plan, Sandos Cancun lets you complete your experience through lifestyle activities like sunset cocktails, a champagne brunch, tequila and mezcal tastings, dinners under the stars and much more.

Sandos Cancun completes The Rhythm Experience as the venue for the most desirable events, hosting pool parties, culinary experiences, VIP parties in the Penthouse, and cultural events.
