

# Dos & Don'ts for Traveling in Jamaica!

## DO

- ❑ DO complete your pre-travel screening at <https://www.visitjamaica.com/> before booking travel.

- ❑ DO prepare for your Covid-19 PCR test upon arrival in Jamaica.

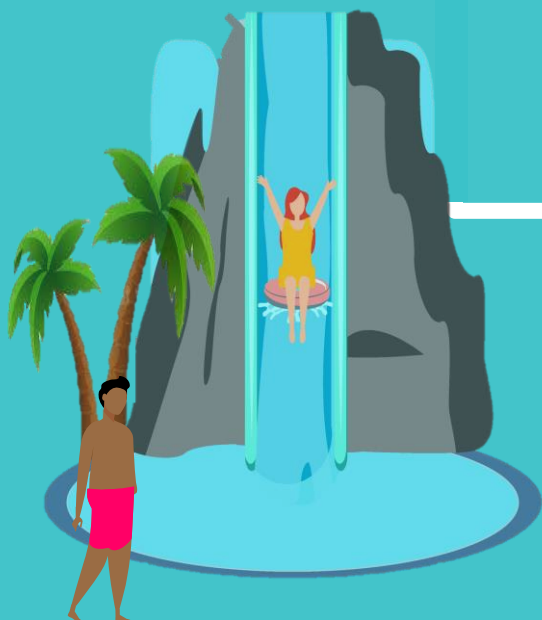

- ❑ DO patronize only certified\* hotels, transportation, attractions, shops and other activities.

- ❑ DO contact your hotel's onsite/on-call medical professional if you feel any Covid-19 symptoms.

- ❑ DO relax and have fun in Jamaica within the resilient corridor.

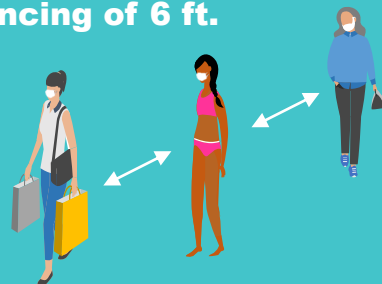

## DON'T

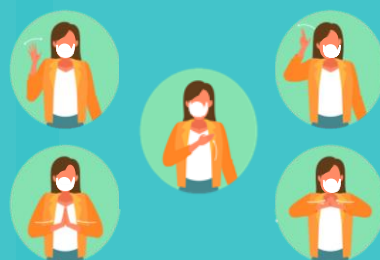

- ❑ DON'T forget to bring your mask – they are required in common areas.

- ❑ DON'T get too close – practice physical distancing of 6 ft.

- ❑ DON'T shake hands – use touchless greetings.

- ❑ DON'T forget to use your mobile device for check-in, tickets and dining where available.

- ❑ DON'T congregate in groups larger than 10 people.
