all in one place**

Made up of two hotels, La Romana is our most charming, peaceful and accessible resort, and is easy to get to from three different international airports.

Part of its charm lies in its surroundings, an area known for the beloved Altos de Chavón, a small Mediterranean village founded in the 16th century. It's also located within a luxury residential area, which grants access to a magnificent golf course designed by Maverick, another of the resort's top features.

But that's just the beginning! You'll also find: Pools, Jacuzzis, Spacious solariums, Athletic facilities, Kid-friendly zones, Spa, Gym.

The specialty and buffet restaurants throughout the resort offer a wide variety of cuisine that is sure to please foodies of all kinds. Our Bahia Principe Village brings you live music, shows, karaoke, a casino and a nightclub playing the best Caribbean rhythms.
